# a new streamine of REVENUE

Baker Group's partnership referral program is a new way to join forces with us to build an additional source of revenue, possibly surpassing your primary source (if your contacts align with our proper client base), by simply recommending and/or referring a business, an individual or any other entities that deal with business to business transactions and have unpaid invoices, outstanding debts or unpaid commissions for Baker Group to collect.

# initial referral BONUS

IF REFERRAL SIGNS UP AND TURNS OVER ACCOUNTS TO BAKER

**\$10**

## BRONZE

Company does 0-1 million a year in revenue  
and currently has 1-5 outstanding debtors

## SILVER

Company does 0-1 million a year in revenue  
and currently has 1-5 outstanding debtors

**\$25**

**\$50**

## **THE BAKERTRAC™ SYSTEM**

**Our most efficient method of collecting**

We understand that in order to provide the highest order of service and support in a very complex and convoluted industry we need to make all of our systems as understandable as we can for the clients. After all, they are hiring us to get rid of the complexity and cut through the nonsense for them, and that is what we are expected to do.
